

# CAPABILITY STATEMENT

Solution Tree

Established in 1998, Solution Tree is an American-owned, privately held company located in Bloomington, Indiana. We are a leading provider of research-based professional learning products and services developed by highly vetted and qualified experts in education. We have worked with educators throughout the country and around the world to implement unique, customized solutions, with proven results in achieving higher levels of student learning.

## Core Competencies

- Events attended by more than 48,962 educators per year.
- Expert associates engage educators in more than 5,500 on-site professional development days per year.
- Resource catalog includes more than 500 books, videos, and online courses.
- Virtual professional development solutions provide flexibility for educators.
- Unique solutions include Professional Learning Communities at Work®, Mathematics at Work™, RTI at Work™, Assessment Center, and Transforming School Culture.
- Global PD facilitates the work of PLC for more than 20,000 educators.
- Professional learning management system and micro-credentials offer educators opportunities for continued professional growth.
