

Figure 6.2: Decision-Making Graphic Organizer

Directions: Brainstorm a topic, such as an open-ended question, real-world situation, or dilemma, and determine the criteria to use for evaluating it (such as most important, important, and lead important). Fill out the options you're considering and provide your best answers for each option, based on the criteria. Then, rank your answers in order of most important to least important.

Topic	Criteria 1: _____	Criteria 2: _____	Criteria 3: _____	Rank
Option 1: _____ _____ _____				
Option 2: _____ _____ _____				
Option 3: _____ _____ _____				
Option 4: _____ _____ _____				
Option 5: _____ _____ _____				
Option 6: _____ _____ _____				
Option 7: _____ _____ _____				
Option 8: _____ _____ _____				
Option 9: _____ _____ _____				
Option 10: _____ _____ _____
