

Discussing Evidence Systems Protocol: Task 5 Considerations

Question	Response
Which student groups did we move to mastery? Which student groups do we still need to move to mastery?	
How will we organize our corrective instruction for those students who continue to demonstrate difficulty? Which member or members of the team are best suited to provide that instruction?	
How will we organize our instruction for those students who are ready to advance beyond mastery? Which member or members of the team are best suited to provide that instruction?	
What additional information or resources do we need now as a result of our evidence-based discussion?	
What is our next step as a result of our learning during our evidence-based discussion?
