

# Sample Planning Play Template

Planning Play Template	
<b>1. Identify Standards</b>	
SEL learning targets:	
Academic learning targets:	
<b>2. Type of Play</b>	
What type of play you are trying to incorporate:	
<input type="checkbox"/> Unstructured play <input type="checkbox"/> Guided play	
<b>3. Scheduling Play</b>	
<b>Unstructured play: Determine when your daily or weekly routine will provide unstructured play:</b> When:	<b>Guided play: Determine when you will schedule guided play and what topics in your weekly schedule lend themselves to guided play:</b> When:

#### 4. Parameters of Play

**What parameters will you provide for the experience? Will you assign groups? Will you limit the number of students in an area? Will you require students to tell you what area they go to before they begin? What play materials will you provide?**

*Parameters:*

#### 5. Look-Fors

**Identify what specific skills and observable behaviors you will be monitoring for, either to positively reinforce or to use as a teachable moment:**

*Observable Skills:*

*Academic look-fors:*

#### 6. Share

**In both structured and unstructured work, there may be opportunities for students to share their creations with others. Will you provide time to share this work or will you offer a place in the room where students can put their work on display in a class "museum"?**

*Will students share their work? \_\_\_\_ If so, how:*
