

Next Steps Reflection Sheet: New Unit

Over the past few weeks, we have been working our way through a new unit. Use this next steps reflection sheet to track your progress.

<p>Where Am I Going? What essential content and skills do I need to master during this unit? What key questions have I been wrestling with?</p>	<p>How Am I Doing? What evidence can I collect to track my progress toward mastering essential content and skills?</p>	<p>What Are the Next Steps? What steps do I need to take in order to continue my learning?</p>
	<p>Scores on tests, quizzes, and homework assignments:</p> <p>Moments where you got a concept during a class discussion or activity:</p>	
<p>Reflection Questions to Answer With a Partner</p>		
<p>What do you already know about the content or skills we are studying?</p> <p>What questions do you have about the content or skills we are studying? What are you curious about? Why?</p>	<p>What patterns do you see in the evidence that you have collected about your learning?</p> <p>Are the grades you earned an accurate reflection of what you have mastered during this unit? Why or why not?</p> <p>Which concepts and skills are you convinced you have mastered? How can you prove you have mastered those concepts and skills?</p> <p>Which concepts and skills are you still struggling to master? How can you prove you haven't mastered those concepts and skills yet?</p>	<p>How would you rate your overall mastery of the essential content or skills in this unit? Why?</p> <p>Which strategy for continuing your learning do you like the best? Would working with a peer tutor help? Are there questions you need to ask during class? Are there extension activities you can complete?</p> <p>Who can help you take a next step in your learning? Why is that person the right person to help you take the next step?</p>
