

Figure 1.4: Specific Action Steps for Principal Supervisors

Directions: As you think about the expectations of the principal supervisor today, what are some specific behaviors or action steps that principal supervisors should exhibit?

Expectation for Principal Supervisors	Specific Action Steps for Principal Supervisors
Understand the changing role of the principal supervisor.	
Address the principal shortage by building an effective pipeline.	
Provide principals with appropriate and effective training and professional development to help continuously strengthen their skill set.	
Create conditions where principals don't feel alone.	
Have the courage to provide meaningful feedback.
