

Figure 3.7: Using Effective Professional Development Practices for Your Principals

Directions: After reviewing each of the effective professional development practices in chapter 3 (page 75), reflect on how you can commit to that practice for all your professional development sessions with your principals.	
Effective Practice	How You Can Commit to This Practice
Planning and organizing the learning	
Setting goals for the learning	
Identifying relevant content	
Practicing active learning	
Garnering feedback	
Selecting the right speaker
