

## Special Teams Starter Template

School Name: \_\_\_\_\_

Vision for Special Teams: \_\_\_\_\_

Example Team	Example Focus	Example Specific Task	Example Timeline
Leadership	Establish beliefs and accountability.	Design a fishbowl activity to help teams align beliefs and accountability.	August 2021
Curriculum and Instruction	Evaluate grade-level assessments for quality.	Use the site-based Quality Assessment Tool (QAT) to summarize (one page) schoolwide.	September 2021
English Language Development	Develop goal-setting orientation for teachers and students.	Develop Individualized Language Plans (ILPs) for students.	October 2021
Marketing	Find creative ways to showcase, brand, and promote your school identity.	Design a canvas or digital storyboard (to be displayed in the cafeteria) to tell the school's history. Blend elements of community traditions and new innovations.	August 2021
Organization	Manage curriculum pacing guides, assessments, and SLCs.	Develop a user-friendly digital color-coded pacing guide with links to grade-level assessments.	October 2021
Agriculture/STEM (Your school focus here)	Design schoolwide agriculture/STEM focus in curricula, activities, and project-based learning.	Seamlessly blend and design three sample agriculture and engineering lessons for grades TK-8, with a focus on college and career opportunities.	October 2021
Social-Emotional Learning (SEL)	Utilize SEL resources to increase schoolwide awareness.	Using district guidelines, survey students by grade level for SEL attributes and provide summary to staff for reflections and next steps.	November 2021
Professional Development	Incorporate feedback cycles.	Develop site peer observation schedule.	August 2021
College and Career	Infuse relevancy into lessons and practices.	Design a user-friendly method to allow teachers access to relevancy resources. Create a teacher sharing process for lesson ideas.	October 2021
Innovation	Use technology to enhance learning experiences.	Evaluate staff use of technology using the SAMR model and identify key areas of improvement.	September 2021
