

Chapter 6 Reflection Questions

Teachers may reflect on the following questions, either individually or as a collaborative team. Their answers will inform their next steps.

- What is my biggest takeaway from this chapter? What immediate action will I take in my classroom?
- How can I better train learners to become coaches in the classroom? What successful practices do I already have in place?
- How can I meaningfully employ self-assessment in my classroom?
- How can I meaningfully employ peer assessment in my classroom?
- How can I meaningfully employ student-to-teacher feedback in my classroom?
