

Figure 3.4: Personal Reading Plan

Book Title: _____

Author: _____ Genre: _____

Publisher: _____ Date: _____

Directions: Complete the first column with the prompt for the book club meeting. In the Page Range to Read column, divide the total number of pages in your book by 3 and enter the page ranges for the corresponding meetings. In the Reading Dates/Times column, record when you will read those pages. In the Reading Completed column, check off that you have completed the pages. In the Visible Analysis Completed column, check off when have completed your visible analysis.

Book club meeting and prompt	Page range to read	Reading dates/times (based on my schedule and commitments)	Reading completed	Visible analysis completed
