

Create a Relationship-Building Plan

Planning for relationship building is your key to success. Consider the following questions, and then take a few minutes to jot down the relationship-building strategy, the students you will focus on, and the amount of time you expect to spend on relationship building each day next week.

<ul style="list-style-type: none"> • How much time can I spend each day intentionally strengthening and building relationships with students and families? • Where do I need to prioritize my efforts? With students? Certain family members? During the day? Before or after school? On the weekends? 			
	What will I do?	Which students will I focus on?	How much time do I need?
