

Reflect and Journal

Take a few minutes to reflect on and answer the following questions.

Relationships

As a No-Nonsense Nurturer, how do I want students to remember me? What types of relationships are necessary for all my students to thrive?

Where are my relationships strong? Why am I succeeding in these relationships?

How can I improve my relationships with my students? Students' family members?

Is there a pattern in my relationship-building strategies?

Students With Additional Needs

As a No-Nonsense Nurturer, how will I be an advocate for students in my class who have special needs? What role will I take on the 504 plan or IEP team to ensure each student's success in my classroom?

What resources do I need to successfully support students in my classroom with 504 plans or IEPs? Where will I begin to seek additional information? The internet? My principal or the onsite special educator? School counselor? Local university?
