Tool 13: Three-Minute Talk

The use of a 3-minute talk when combined with visual representations that the student has created is a highly effective assessment practice for the essential knowledge, application, and complex-thinking layers.

 Statement of topic/ purpose of talk, and what you will accomplish

4. Clear statement of third point with rationale or reasons

2. Clear statement of first point with rationale or reasons

3. Clear statement of second point with rationale or reasons
