

## Chapter 2 Guiding Questions

As you reflect on this chapter, consider the following five guiding questions.

1. Why are connection and relevance so vital to successful learning?
2. How do emotional connections fit into the learning process?
3. What kinds of heartfelt questions can you ask students to emotionally engage them in the learning for your curriculum?
4. In what ways can you use edtech to connect students with learning topics?
5. What else can you do beyond the microshifts in this chapter to make learning relevant to your learners?
