

Tool 2: Project Rubric

This tool can be used for any project and any grade level. The criteria are already established. All you need to do is create the expectations for each layer of learning.

Criteria	Layer 3: Complex Thinking	Layer 2: Application	Layer 1: Essential Knowledge	Novice
<p>Vision:</p> <p>Do I have a clear idea of where I am headed with this project?</p> <p>Can I picture the final outcome?</p>				
<p>Knowledge:</p> <p>How well can I use the terms and concepts that were taught to me?</p>				
<p>Appeal:</p> <p>Is my project appealing to look at? Is it neatly done? Is it creative?</p>				
<p>Presentation:</p> <p>How well can I explain my project and my new knowledge?</p>
