

Tool 3: Project Planning Sheet

Project Planning: "Sun" Project

Student Name: _____

Project Due Date: _____

1. What terms and concepts do I already know, and what do I need to know for this project?

2.

Terms		Concepts	
Know	Need to Know	Know	Need to Know

How will I show my learning? (For example, a model of the sun, a written report, an oral presentation, a detailed drawing, or a song)

3. What materials will I need to make my project?

4. How will I make sure that I'm showing my learning in this project?

5. What will I do first, second, and third to create my project?

6. What will it look like when I'm done? Make a sketch.
