

Research Template

Students can use the following template to brainstorm ideas for a research project.

Topic: _____

After spending at least one hour reading through texts, write some interesting facts that you found. Don't forget to include where you found the information!

Interesting fact:	Where I found the interesting fact:
Interesting fact:	Where I found the interesting fact:
Interesting fact:	Where I found the interesting fact:

1. Summarize what you have learned in one sentence. So far, I have learned:

2. Write at least two questions you still have:

3. Where might you find the answers to those questions?
