## My Connections

Use the spaces below to answer the following questions.

1. Where do you spend most of your time? (Write this in the first row of shapes.)
2. Who do you spend most of your time with in these places? (List these people in the second row of shapes.)
3. How do you communicate with these people when you are not together? (Draw a line to connect the form of communication with the *who* or *where*.)
