

Figure 5.2.4: Elementary Literacy Constructed Response

Name:
Date:
<p>Learning Target: I can cite textual evidence.</p> <p>Achievement Check: Complete the following table based on the texts we have been reading. In the first column, choose one of the following provided themes. In the second column, find and write textual evidence that supports it. In the third column, explain why you think the textual evidence supports the theme.</p>

Theme	Textual evidence to support it (include the line number)	Explain why you think the text evidence supports the theme.

Confidence Check: Check all that apply. This confidence check will be used before we learn about citing textual evidence. It will be used during our work on this learning goal. We will also do a final check after we have spent time on this.

Confidence Statement	Before	During	After
I understand this so well that I could teach others.			
I understand this and can tell you why.			
I have questions about this that I need to ask.			
I don't know what this means.
