

Relationship-Building Tool

Directions: Fill out each other's name over a column, and then take turns having your partner tell you his or her answer to each question. Write down your partner's answer in the column under his or her name.

Name:	Name:
What does your partner feel are his or her strengths in school?	
What is something your partner finds challenging about school that he or she would like help with?	
What is something important to your partner outside of school?
