

List and Support Three Ideas for Classroom Goals

Goal 1: _____

Why is this a strong goal? How did students react to it? (Or, how do you think they would react?) What challenges do you foresee in meeting it?

Goal 2: _____

Why is this a strong goal? How did students react to it? (Or, how do you think they would react?) What challenges do you foresee in meeting it?

Goal 3: _____

Why is this a strong goal? How did students react to it? (Or, how do you think they would react?) What challenges do you foresee in meeting it?
