Guided Studies

Student Name: _____

Parent Involvement

This class is an excellent tool to help struggling students in high school. Parents play a major role in student achievement. Please ask your son or daughter each night to see his or her homework or any completed assignments. These questions, in addition to signing the Weekly Progress Reports, will give you an excellent view into your son or daughter's progress at school. Please feel free to call or email me at any time for any reason. In order to generate strong communication between students, teachers, and parents/guardians, we will be holding a mandatory conference on one the following dates.

Please check the date that you would like to attend.
