

## Strategy Reflection Activity

Term	Student Engagement	Rigor	Complex Thinking	Instructional Strategies
What is the term, and what is your definition of the term?				
What might this look like in your classroom?	Examples of what students do to indicate that they are engaged:	Examples of how you provide rigor in your classroom or school:	Examples of what students do or say that provides evidence of deep learning:	Examples of instructional strategies that you use:
Why is this important?
