

Employing Interdisciplinary Teaching

Use this chart to write some of the skills you are teaching during a week in each subject area. Examples follow.

- **Reading:** pointing, the sight word *and*, the letter *Mm*
- **Writing:** idea generation, rehearsing, labeling
- **Mathematics:** *long* versus *short*, counting on from 10, comparing volumes
- **Science:** *living* versus *nonliving*, parts of a plant, seasons
- **Social studies:** school community, members of a family, occupations

Keep this chart nearby as a reference to help you work on these objectives, skills, and concepts throughout the day in all subject areas.

Week of _____
