

## Managing Conflicts

Use this checklist to help manage classroom conflicts between students.

	Yes	No
Did I see what happened?		
Are all students safe?		
Did I need to use any physical methods? ___ Physical escort ___ Physical restraint		
Did I listen to each student's version of what happened?		
Did I determine whether a consequence was necessary?		
Was the consequence fair and reasonable?		
Did I make sure not to force one student to apologize to the other?		
Did I stay calm, cool, and collected throughout the whole affair?
