---

Complete the graphic organizer to create an effective constructed response.

1. Read the question. Think TAPS (task, audience, purpose, and support).

T =

A =

P =

S =

2. Answer the question.

3. Think, visualize, and plan your writing.

4. Write a topic sentence that reflects your answer.

5. Give reasons and cite evidence.

6. Wrap it up. Explain (don't just restate) your topic sentence.

7. Reread, check the criteria, and revise (different color and in margins).
