

### Figure 4.1: Initiative evaluation.

Stage 1–6 Criteria	Red	Yellow	Green
1. Research and planning was conducted with a clear equity focus.	Insufficient	Sufficient	Excellent
2. Proposal demonstrated a deep understanding of the equity-centered problem of practice.	Weak	Adequate	Strong
3. Prioritization process revealed urgency to rank the initiative and schedule its debut.	Low	Medium	High
4. Pilot showed sufficient progress or achievement within identified student groups.	Unsatisfactory	Satisfactory	Successful
5. The feedback and input by key stakeholders during engagement outreach was encouraging.	Negative	Mixed	Positive
6. Data analysis makes a compelling case to launch the initiative full scale.	Unclear	Inconclusive or mixed	Compelling
