

## Coaching Reflection for Action 4: Take Into Account Other Considerations for Effective Responses

Use the questions in this chart to reflect on the information you explored in Action 4.

<p>What are the most effective components of our current systematic response? What changes do we need to make?</p>	<p>What role (facilitator, consultant, coach) should I play with each team?</p>
<p>Are all our interventions mandatory? Are we effectively helping students who need academic support or behavior support?</p>	<p>What issues do I need to anticipate and plan for?</p>
<p>What ideas or strategies can I find that might help teachers and teams get better at this work?</p>	<p>What is a reasonable time line for completing this step?</p>
