

Figure 5.2: Sample Secondary Templates and Tasks

Task Templates (LDC, 2014)	Sample Writing Tasks (Glass, 2017a)
[Insert optional question] After (reading or researching) _____ (literary texts or informational text on _____ content), write _____ (product) in which you examine causes of _____ (content) and explain the effects of _____ (content). Support your discussion with evidence from the texts.	What are the effects of hydraulic fracking? After reading informational texts about fracking, write an informational report in which you examine causes of alternative energy sources, specifically hydraulic fracking, and explain the effects of fracking. Support your discussion with evidence from the texts including examples from current events to illustrate or clarify your position.
[Insert optional question] After (reading or researching) _____ (literary texts or informational texts on _____ content), write _____ (product) in which you argue _____ (content). Support your position with evidence from the texts.	Should animals be used for scientific or commercial testing? After researching informational texts on animal testing, write a letter to the editor of the local newspaper in which you argue your viewpoint in response to the question. Support your position with evidence from the texts. Be sure to acknowledge competing views.
	Can photographs fuel change? After researching and studying pictures from the civil rights movement (or another movement), write an argumentation essay in which you argue whether photographs can be as compelling as words to fuel action and change. Support your position with evidence from the photographs and any accompanying captions or texts. Include citations.
[Insert optional question] After (reading or researching) _____ (literary texts or informational texts on _____ content), write _____ (product) in which you explain _____ (content). Support your discussion with evidence from the texts.	How can writers use authentic cultural characters and conflicts they encounter to foster empathy and realism? After reading two culturally centered short stories or autobiographies, write an essay in which you explain the experience of the protagonists and address the guiding question. Support your discussion with evidence from the texts.
