

## Family Information Sharing

What about the school building makes you feel welcome? Please add specific examples.

What do you understand about what your child is learning?

What do you want your child to be learning?

What representation would you like to see within the school building and in your child's learning?

How would you like to be involved at the school? What barriers keep you from getting involved?

**REPRODUCIBLE**

Do you feel valued by the school staff? Do you feel heard?

What types of community organizations do you participate in? How about your child?

What organizations do you partner with to support your child's development?

Is there anything you wish the school staff understood about you or your child?

What does family engagement mean to you?
