

## Middle School Reflection Questions

What parts of the lesson were most engaging? Why?

What parts of the lesson were least engaging? Why?

Did you feel like the lesson was relevant to your interests or goals?

Was the pace of the lesson too fast, too slow, or just right?

Did you feel like you had enough opportunities to ask questions and participate?

Was there anything you wish we had spent more time on or less time on?

Did the activities help you better understand the material?
