

Figure 3.18: Student Playbook for Group Project

Check off tasks as you complete them.

- ☐ Set up your team's roles and review the collaboration rubric in your portfolio.
- ☐ Review your personalized learning plan outcome statement for researching internet sites about global warming.
- ☐ Search the internet for materials. Follow the research rubric from last month. (It's in your portfolio.) Check it every day.
- ☐ Make a playlist of possible sites and copy the URLs to your personalized learning plan.
- ☐ Choose sites for a final playlist of recommended sites for others to read.
- ☐ Include full citations and share.
- ☐ Assess your work and your teamwork with the rubrics. Be sure to schedule a feedback session with me. Share your final document with me.
- ☐ Upload all rubrics and products into your online portfolio.
