

How Will Our School Respond to Key RTI Questions?

Key Questions of RTI	Our Current Reality	Our Desired Outcome (Long-Term Goal)	Our First Steps (Short-Term Goal)
How many tiers of intervention can our school provide?			
How will our school identify students in need of support?			
Will our school employ the problem-solving approach, the protocol approach, or a blended approach?			
How will we define what determines an <i>adequate</i> response to intervention?			
What is the function of special education when implementing RTI?
