

Educator Capacity Definition Organizational Template

With your representative task force, create your school's definition of educator capacity, including a shared vision of what effective teaching and learning look like in your school community and shared values. Add some non-examples of vision and values as well.

- **Vision:** What does powerful, student-centered teaching and learning look like?
- **Values:** What beliefs or commitments guide this vision?
- **Examples:** What practices illustrate this vision in action?
- **Non-Examples:** What practices do not align with this vision?
