

Chapter 7 Application Guide

Use the following application guide to connect these ideas to your classroom.

Chapter 7 Topics	Connect to Your Classroom
Justifying	Model justifying for your students by sharing your ideas out loud and asking for their input.
Ways of Justifying	Look at the ways of justifying described in this chapter and consider which you might hear and see in your classroom.
Questions	Incorporate one of the suggested questions to nudge students toward justifying on page 175 into an upcoming lesson. Write it here.
Language Supports	- Create a language frame and sticky notes in your classroom using one of the following prompts. + It is true because _____. + I agree because _____. + I disagree because _____.
Characteristics of Tasks	Look at tasks in the upcoming lessons to see if they meet some of the characteristics listed for justifying.
True or False Routine	Continue with the true or false routine that you started in chapter 5 (page 115), focusing on the justifying ideas from this chapter.
