

Chapter 10: Ride the Wave, Strategy 2

Plan a community event in which a panel of former students and community members will gather to conduct a forum on a topic that is relevant to one of your classes. You can use the template that follows to plan this event, contact the panel members, and confirm their participation.

Community Event Planning Template		
Topic:		
Date and location of event:		
Panel Member	Contact Information	Confirmation of Attendance <i>(Check this box when the panel member has confirmed.)</i>
Former student 1:		
Former student 2:		
Community member 1:		
Community member 2:
