

Chapter 4: Ride the Wave, Strategy 5

Try to anticipate three responses a student might have to the following queries about how to address school shootings.

What is the plan in our individual classroom?

1.

2.

3.

When shootings occur, what are different issues that might arise for individual students processing the information?

1.

2.

3.

What are the different viewpoints adults have regarding these shootings from a political, moral, or communal standpoint?

1.

2.

3.
