

Figure 6.5: Second Peer-Feedback Task for Grade 3

Directions <ol style="list-style-type: none"> 1. Record your name, the date, and your teammate's name. That teammate will write your feedback. 2. Agree on your team role and what you will do in that job. 3. Make sure you have your rubric. 4. Look at the criteria, and type an X in the Yes column or the Not Yet column, depending on whether your partner met that criterion. Keep the rubric close so you can look at it while you work with your teammate. 5. Put your responses to the prompts on Google Drive, and let your partner know the guiding rubric is ready. 6. Your partner will put the finished guiding rubric on Google Drive in that same folder and let you know when it's ready. 7. Read the feedback and send a thank-you to your partner.
