

Figure 7.4: Planning initial steps

Desired Reality	All teams will flexibly provide extra time and support aligned with essential standards for students who need them, at both the Tier 1 and Tier 2 levels.
------------------------	---

Action Step	People Most Responsible	Timeline

Current Reality	Teams are waiting until after the unit has been completed to provide any reteaching or intervention for students. The groups that they have formed for these interventions will remain in place until the end of the next unit.
