

Chapter 1 Discussion Questions

1. Is our district or school engaged in PLC-lite activities? Or are we on the road to being an accountable professional learning community?
2. Would an anonymous survey of the staff benefit our work? What should we ask? How and when will we share the results with the staff?
3. Which business concept resonates with you the most? How will that concept be applied to lead organizational change?
4. I predict that _____ percent of staff can recite our mission and vision statements. Why do staff remember or fail to remember our mission and vision statements?
5. In what ways will the organization struggle with the forty-five-minute mission and vision meeting? What parts should go well? When can we schedule the meeting?
