

## Applying Spaced Repetition to a Unit

Identify three learning targets for this unit. Then use the following chart to plan how you will implement spaced repetition for the unit. In the parentheses, note how many minutes you will devote to each learning target.

- Learning target A:

- Learning target B:

- Learning target C:

# REPRODUCIBLE

Week 1	
Monday	<p>Learning target A (_____ minutes):</p> <p>Learning target B (_____ minutes):</p>
Tuesday	<p>Learning target A (_____ minutes):</p> <p>Learning target B (_____ minutes):</p>
Wednesday	<p>Learning target A (_____ minutes):</p> <p>Learning target B (_____ minutes):</p> <p>Learning target C (_____ minutes):</p>
Thursday	<p>Learning target A (_____ minutes):</p> <p>Learning target B (_____ minutes):</p> <p>Learning target C (_____ minutes):</p>
Friday	<p>Learning target A assessment:</p> <p>Learning target B assessment:</p> <p>Learning target C assessment:</p>
