

## Notes and Reflections: Being a Superhero Paraprofessional

Take a few moments to reflect on the following questions about being a superhero paraprofessional.

1. What aspects of being a paraprofessional do you find most appealing, and why?
2. Is there a specific type of paraprofessional role that interests you the most? Why?
3. How do you see yourself making an impact on a student's life in this role?
4. What proactive steps could you take if you experienced a weak onboarding process at a new school?
5. How do you think that working as a paraprofessional will challenge you to grow personally and professionally?
