

Notes and Reflections: Rising to the Challenge—Developing a Paraprofessional Mindset

Take a few moments to reflect on the following questions about being a superhero paraprofessional.

1. What are your biggest strengths and areas for growth based on the ten superhero traits shared in this chapter?
2. How can looking for students' assets help you become a superhero paraprofessional?
3. How can recognizing a student's strengths positively impact their motivation and engagement in learning?
4. How can you use the power of yet to grow professionally and personally?
5. Are there specific areas where you'd like to learn more to enhance your skills?
