Prioritize Content

Just as you prioritize standards in content areas, content areas must also be prioritized. Brainstorm and list the most critical content areas and skills, using the second column to rank the highest-priority contents and skills.

Critical Content Areas and Skills	Priority Rank
1.	
2.	
3.	
4.	
5.	
6.	
7.	
8.	
9.	
10.
