

## Figure 1.3: Discussion Tool for Instructional Leadership Roles

**Directions:** This tool helps with determining the differences between the instructional coach's and the principal's instructional leadership responsibilities. To begin this process, respond to the following reflection questions.

- What are the principal's instructional responsibilities?

- What are the coach's instructional responsibilities?

Next, complete the following Venn diagram. Where are there opportunities for collaboration between the instructional coach and the principal?
