Feedback Form for Students

Using this form, students can provide positive, constructive feedback to one another, and teachers can monitor what students are saying to one other. The feedback form also provides students with time to reflect on the story and process the language.

One thing I learned was . . .

_____

_____

_____

_____

One thing I would add or change is . . .

_____

_____

_____

_____

_____

I liked . . .

_____

_____

_____
