

# Chapter 4 Homework

- ☐ Make a list of all the insurance policies you have.
- ☐ Using your list of insurance policies, analyze your current personal situation to see whether you are properly protected.
- ☐ Obtain additional insurance if needed, or reduce your coverage if your analysis determines you're overinsured.
- ☐ Reach out to your insurance companies to see whether there are discounts you can take advantage of to lower your costs.
- ☐ Place your insurance policy documents in a secure area. (Chapter 8, page 127, will discuss where to store these documents.)
