

Chapter 6 Homework

- ☐ Make a list all of your debt (you can use the “Debt Payoff Worksheet” reproducible on page 106).
- ☐ Determine which debt payoff strategy you are going to use to eliminate your debt.
- ☐ Revisit chapter 1 (page 5) and review your zero-based budget to see if you can increase how much money you are currently applying toward your debt.
- ☐ If you have student loans, decide which student loan debt forgiveness program is best for you to use.
- ☐ Imagine that moment when you are debt-free: What will it feel like? What steps will you take to make this a reality?

Notes:

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on the right side, suggesting it's resting on a surface.
