

Chapter 7 Homework

- ☐ If you are currently a renter, consider whether you want to become a homeowner in the future.
- ☐ If you are looking to buy a house, decide whether now is the right time to do so by determining what you can afford.
- ☐ Once you have a plan and know how much you can afford, begin searching for a real estate agent. Ask other teachers at your school for referrals if you don't know where to start.
- ☐ If you currently own a house, review the Actions to Take With Your Mortgage section (page 121) to see how you can pay it off sooner.
