

Developing a Set of Exemplars to Make Learning Intentions Explicit

Use this template to develop a set of exemplars for one of your upcoming tasks. Remember that you will need to fill out one template for each level of performance that you want to highlight in your set of exemplars.

Task students will complete or question students will answer to demonstrate mastery:			
Learning target task is designed to assess (written in student-friendly language):			
Level of performance this exemplar demonstrates (circle one):			
Beginning	Developing	Mastering	Exceeding
Exemplar (Team generates to deliberately spotlight common patterns seen in student responses at this level of performance)		Teacher comments (Detail the reasons that this exemplar is an accurate representation of responses at this level of performance.)	
Defining characteristics of responses demonstrating this level of performance (a one- or two-sentence summary written in student-friendly language):
